RAO Membership renewal

Is now past due. As of 1 Jan renewal for membership and FPO boxes required renewal.  
This CY 2024 dues were P5100.

Members who missed the renewal date will have until 31 Jan to renew at that rate.  
Effective 1 Feb renewal will be P5200. Additionally, as we can only hold mail for no  
more than 30 days, we must return any mail in un-renewed FPO boxes by Feb 15. At  
that time any FPO boxes which have not been renewed, must be reported to FPO  
Manila as closed. This can result in the member being assigned a new FPO Box  
number, and having to notify parties from which they receive mail as to the new Box  
address. Please don't allow yourself to get caught up in chasing mail that was returned.  
This can cause delays in receipt of your W-2's and 1099's and for those receiving hard  
copy checks, and other important mail from VA and SSA.

The Tax man cometh, Ken Kimura our resident tax expert will be providing tax  
preparations services beginning this and subsequent Fridays beginning Jan 26 from  
0800 to 1130, until the end of the tax period. First come first served.
